**LEXINGTON BEACH SUBDIVISION**

**Date 3/20/17**

**Subject - Starting up Subdivision dues again**

We have updated the subdivisions requirements document from the original. This document is available upon request at no charge.

We have formed a new committee, The members are

Stephan Stamatiou	7305 Chippewa tr.	Supervisor
Jim Bowen	7336 Chippewa tr.	Sec. Treas. 810-6 24-3335
Louis Fischione	16311 Festian ClintonTwp.	Consultant
Pam Duskocy	7333 Chippewa tr.	1 <sup>st</sup> alternate Consultant

We are going to start collecting Subdivision dues annually starting this year. The subdivision dues are the same as the original. \$20. Annually. We will open account in a local bank to keep the funds for maintenance items. We would like to ask the former subdivision treasurer to contact myself or Stephan and we will move any existing funds into this account.

Our main reason to reenact the subdivision committee is to provide the township our intent to keep our beaches and common areas in our subdivision maintained and private. We should be able to keep up our access areas with minimal effort and funds.

Envelopes are provided for you to return your dues and we will mail this out to our out of town neighbors.

Thanks Jim
