*Motion was made to deny the proposed rezoning request for Parcel I.D.#76260021300-060-04, at 5543 Galbraith Line Road, Croswell, from the current zoning as Agricultural Residential to Conditional Light Industrial, for the following reasons:

1. The site is located in an exclusively rural residential and agricultural portion of Worth Township.
2. The proposed rezoning request does not represent the Future Land Use Map of the Worth Township Master Plan which designates all properties in the area for future agricultural land use.
3. The proposed rezoning request does not support the goals and objectives of the Worth Township Master Plan.
